LEADERSHIP EXPERIENCE

Berkeley Political Review

Berkeley, CA

Editor-in-Chief

May 2025-present

- Lead editorial strategy and operations for a student-run political magazine with a staff of 100+ writers, editors, and contributors, setting publication priorities and long-term direction.
- Manage print and digital production: create and maintain editorial calendars, coordinate timelines with designers and web teams, and supervise print deadlines and online publishing workflows.
- Increase output from weekly online publication to daily online publication.
- Grow readership/engagement by over 1500%, from 20 daily online readers to over 400
- Collaborate with multimedia, design, and social teams to shape digital features and reader-facing projects that increase engagement and readability.
- Coordinate submissions from local politicians.

Berkeley Political Review

Berkeley, CA

Editor, California Section

September 2023-May 2025

- Supervised 15 writers: developed story ideas, provided line edits, assisted in reporting on California and Bay Area politics, and took articles from pitch to publication.
- Experience covering San Francisco politics, California politics, transportation, and housing.

Helen Diller Institute at Berkeley Law

Berkeley, CA

Undergraduate Law Fellow

September 2023-Present

- Wrote weekly news bulletin for affiliated Berkeley Law students, undergrads, and faculty.
- Hosted talks with a variety of speakers over various Jewish political, social, and cultural issues.

KALX 90.7 FM

Berkeley, CA

Radio Broadcaster

September 2022-December 2024

- Delivered live play-by-play commentary and post-game analysis for Cal Athletics on KALX 90.7 FM, conducting athlete and coach interviews while researching team statistics, player profiles, and game context to provide informed storytelling across multiple sports programs

City of Berkeley

Berkeley, CA

Policy Fellow

June 2023-August 2023

- Conducted in-depth research and analysis on transportation policies, with a primary focus on multi-modal transportation, bicycle infrastructure, and non-car transit options for Berkeley Councilman Rigel Robinson.
- Contributed to the development of three currently in-use data-driven policy recommendations aimed at enhancing transportation sustainability and accessibility in District 7, calculating for factors like usage demographics, past investments, and current access to non-car transportation options.

Stanford Medicine, Halpern-Felsher REACH Lab

Palo Alto, CA

Policy Intern

September 2021-September 2023

- Provided guidance and revised the drafting of California Senate Bill 793, which led to the successful passage of legislation outlawing the sale of flavored nicotine products in the state.

SKILLS: Strong writing and communication, basic coding (Python, CSS, C++), fluent Spanish speaker
